Dear Skaters and Parents,

It's hard to believe that the skating season at E. J. Murray's is almost over. The Executive Board of the Yonkers Figure Skating Club congratulates all the skaters who worked hard this year in their skating achievements. We have also had a successful year with our Club-sponsored events; namely, our Competitions, our Exhibition Fund-Raiser and our Test Sessions marking the progress of many skaters. The Club will need your continued support and participation in the coming season to continue to offer and expand the opportunities for YFSC skaters.

At this time, we would like to welcome you into the 2007–2008 season. As your USFSA membership expires on June 30, 2007, you will need to renew your membership now in order to remain a member in good standing after this date. To simplify the membership process, the YFSC membership renewal will coincide with the USFSA membership renewal.

We invite you to renew your membership to both the YFSC and USFSA. For your convenience, we have enclosed: (1) the YFSC Membership Application, and (2) the YFSC Volunteer Activity List. Please fill out these forms and return them fully completed with your payment to the **Yonkers Figure Skating Club, P.O. Box 216, Yonkers, NY 10710** by **June 16, 2007**. Please note that the YFSC Ice Time Application will be mailed separately at a later date.

We have a number of events planned for the new season, some of which are listed below. We strongly encourage skaters and parents to volunteer and assist in fund-raising, hospitality and especially as ice captains. The more help we can get, the more fun we can have!

Our upcoming Holiday Classic Competition will be fast approaching, as well. If you are interested in helping out, please contact Janet Callahan, the Competition Chairperson as soon as possible at (914) 964-9306 or janetcallahan@peoplepc.com

If you have any questions, please contact one of the Board members. We all look forward to seeing you early in the season at our next General Membership Meeting and during Ice Time. In the meantime, we wish you a great spring and summer, and hope you continue skating throughout! Remember to ask your coaches about summer skating opportunities.
